Attached is a copy of TD-1014 for your files. This T.D. has been executed indicating a change in scope in the amount of [REDACTED]

STATINTL

STATINTL

The authorization block on page 1 indicates that this change is within the scope and was marked by the CCB at the time they signed. This is contrary to Itek's previous response and was probably incorrectly marked. [REDACTED] of Itek will, no doubt, request that this T.D. be considered outside of the scope when he negotiates with you.
